Hill
Barn*

A 160 year old American Barn house in the
Victorian High Country - Merrijig. Victoria

a quick introduction

Hi! We are Katherine & Wade. We opened Coombs Hill Barn in March 2021 as a luxury getaway for those looking for a unique retreat with their nearest and dearest. We soon received a lot of interest from couples looking to use the space for their weddings so we set out to make this happen. We are not your cookie cutter venue, and are very much suited to those with a keen 'diy' eye and who are hands on and flexible. We offer the ultimate space for you to create the day of your dreams. We are excited to share our barn with you for your special day.

Coombs Hill is a 160 year old American Barn imported from Indiana, USA in 2018 and lovingly restored and rebuilt in the shadow of Mt Buller overlooking the pristine Delatite Valley.

Coombs Hill Barn is a truly unique luxury private home set on 100 acres of farming land in Victoria's High Country. Perfect for couples, groups and families alike, Coombs Hill is ideal for a family birthday, anniversary celebration, group getaway, wedding or elopement.

weddings at coombs hill

Coombs Hill is perfect for couples who are looking for a beautiful retreat where they can curate and design the wedding of their dreams. We provide you with the canvas (the barn) and you have full reign over the choice of styling and vendors for your special day.

Coombs Hill is the perfect DIY space for an intimate elopement or mirco wedding with your nearest and dearest. We are also able to host a select few larger wedding per year however these will typically be cocktail style. We are BYO drinks and catering. The barn will suit a couple that has flexible ideas and realises this is not your cookie cutter function centre. Coombs Hill is a luxury house come adaptable space for your event. Unfortunately Marquees cannot be erected on the property. Some furniture may be able to be moved if requested prior (fees may apply).

Located on 100 acres, the outdoor ceremony locations are endless. You can then follow with cocktails on the deck overlooking the Delatite Valley and then move inside the barn where the main living space could be transformed into the sit down or cocktail dinner part of your special day.

the house

Coombs Hill Barn is a truly unique, luxury private home set on 100 acres of farming land overlooking the picturesque Delatite Valley. Perfect for couples, groups and families alike, Coombs Hill is ideal for a family birthday, anniversary celebration, group getaway, small event or elopement.

The Barn and surrounding land is all yours to relax in and marvel at. You will have frequent visits from local wildlife and plenty of space for picturesque walks. The barn truly is story of craftsmanship. From the soaring, quadruple height vaulted ceilings, to the steel frame windows which perfectly picture frame Buller, Timbertop and valley views and the 12m high stone fireplace (each piece of which was collected by hand from the surrounding paddocks), the Great Room is a very special place to unwind and soak in the history with family and friends.

Outside is an elevated large timber deck with stunning valley and mountain vistas, an ideal place to enjoy some of the area's best sunsets with a glass of King Valley wine, while the interconnected full size Chefs kitchen is the perfect place to prepare a special dinner to be served at the adjoining custom made 12+ seater 'barn wood' timber table.

Accommodation comprises of 4 King rooms (3 of which have individual ensuites and one with direct bathroom access) and one 3 person Bunk room, all with reverse cycle heating/ cooling and large, openable steel framed windows which make the most of the surrounding landscape. An automated in-floor heating system and open fireplace, ceiling fans and air-conditioning throughout means you will always be comfortable, no matter the temperature outside.
